### What MITCHELL Says

I want the people who read this paper to know that I sure have the best eating candy in Paris.

The chocolates I sell you for 40 cents per pound cannot be any better.

If you pay 60 or 80 cents you are paying for the fancy packing, of course I have candy we sell for 60 cents per pound and it is strictly fancy and fine, but I want to have every lover of good candy to try, my 40 cent creams, always strictly fresh. Don't forget to send me your orders for the only genuine Blue Lick Water. I am the wholesale agent for the Springs Co. and can furnish it fresh at all times.

Yours truly,

C. B. MITCHELL.

### The National Convention

Democrats are gathering at St. Louis in large numbers and the hotels are already filled with delegates and party managers. There are many political rumors afloat, but there does not seem to be any organization of the anti-Parker forces, and the conviction is growing that Parker will be nominated early in the balloting. Those who favor the nomination of Cleveland are still talking of the probability of a stampede to the ex-President, but such an outcome seems to be a very remote contingency. Senator Stone, of Missouri, is making an effort to unite the opposition to Parker, but it appears doubtful if any common ground for harmonious action of the various elements can be found. So far the Vice-Presidential nomination is not being discussed to any great extent. Among those most freely mentioned are E. C. Wall, of Wisconsin, and Marshall Field, of Illinois.

It is practically certain that John Sharp Williams will be the temporary chairman of the National Democratic Convention. The men who are being mentioned for the permanent chairmanship are Thomas E. Barkworth, of Michigan; Patrick A. Collins, of Massachusetts; David S. Rose, of Wisconsin, and Champ Clark, of Missouri. The Hearst men probably will support Mr. Clark.

THE tide at St. Louis is all toward Parker for the Democratic nomination for the Presidency, and the outlook is that the New York jurist will win early in the action—possibly on the first ballot. The Cleveland talk is waning and it seems doubtful if his name will be presented, the New Jersey delegation having decided to make no aggressive fight in his interest. The anti-Parker men are endeavoring to unite on Gorman as their last and only hope to defeat the New York candidate, but Senator Gorman is not disposed to enter the fight merely for the purpose of trying to defeat Parker and will not attend the convention.
